

Ambitious, Enthusiastic and Adaptable?

Be part of the founding team of a brand new school.

We are looking to speak to a range of like - minded people, from front of house to aspiring leaders, who are interested in being part of our exciting journey from September 2019.

Come and meet the Principal of each of our new schools, look at the plans and find out about their vision and the range of roles we will be recruiting. You will also meet members of the central team to learn more about the Spencer Academies Trust.
